

# Complete your Life Skills card and get invited to certify to the next level!

How do I earn my Life Skills sticker?

**It's a very simple process:**

- 1) Show up for class and get a small sticker that confirms that you attended the class where that life skill was addressed.
- 2) Turn in your assignment and earn your big sticker! On a piece of paper, write down at least ONE example of how you would use that life skill ON and OFF the golf course.

**Pro's Tip:** Stay an extra 15 minutes after class and turn in your assignment right away, OR, bring your assignment on the following week and show it to your coach before the beginning of class.
